

Top Ten Reasons to Lease with Data Sales

1. SPECIALIZE IN YOUNG FAST-GROWING COMPANIES

Our unique market position and asset back lease allows young and fast-growing companies to leverage capital to grow their business.

2. UNDERSTAND THE WEB 2.0 BUSINESS

Save time having to explain what you do to new financial partners. We understand the Service Provider, Cloud and Hosting space.

3. EXPERIENCED

Over \$2 Billion in lease originations, thousands of customers and over 42 years of providing lease services. We have a proven business model.

4. LARGE LEASE LINE

Large lease lines from \$100k to \$10MM per account. We can grow with you.

5. INTERNATIONAL PRESENCE

In addition to the US, leases can be originated in Canada and the Netherlands to scale with you internationally.

6. IT HARDWARE FOCUSED

We specialize in leases for IT hardware and related items. We fund the equipment that powers your infrastructure.

7. TRUE LESSOR

Data Sales is a true lessor and not a broker. Your leases are not sold off or traded.

8. FLEXIBLE

Since we hold and control all of our own leases we can provide flexibility to meet your unique requirements. Our lease lines do not interfere with other forms of financing.

9. EASE OF ADMINISTRATION

We offer a high level of service and response. Our award-winning and experienced staff makes the process simple and easy.

10. COMPREHENSIVE SUPPORT

Data Sales has over 200,000 square feet of office/warehouse space, over 100 employees that include technicians and auditors, plus a company owned fleet of semi-trucks to support each and every lease that we originate.
